

2015 Cumberland Reserve Pinot Noir

The Bergström wine with the most history, having first released this proprietary blend in 2001, the Cumberland Reserve is our homage to our great Willamette Valley that we call home as native Oregonians.

This Pinot Noir represents the best of the artistic process of blending, choosing our finest barrels from our five estate farmed Biodynamic properties which highlight the fresh fruit character, the sweet spices and the warm earthiness that Willamette Valley Pinot Noirs are famous for. This wine is all about delicious regional character at a fantastic price point for drinking now or for putting in the cellar.

The 2015 Bergström Wines Cumberland Reserve Pinot Noir is dark vibrant cherry color with a youthful magenta hue. It has explosive aromas of ripe dark cherries, black currant and blue berries with a candied, kirsch touch to the fruit perfume. This vintage of Cumberland Reserve is bursting with pure fruit flavors and has crunchy succulent flavors with a silky mouthfeel which makes this wine undeniably delicious now with a mouthwatering finish. There is a very long finish and this wine is very much in balance. Buy by the case...and drink at will, you won't regret it.

DRINK NOW UNTIL 2025
