

Second-generation winegrower-owner Tom Gerrie, winemaker Steve Doerner, and our veteran vineyard team possess a combined 100+ years' experience working this 239-acre estate in Oregon's famed Eola-Amity Hills. Over the past 26 years, Cristom has crafted a style of winegrowing that's an honest interpretation of our distinguished terroir, reflecting the old-world influence of mentors such as Jacques Seysses of Domaine Dujac and Josh Jensen of Calera. Artisan winemaking techniques, including whole-cluster fermentations by native yeasts and a lack of filtration, are the hallmarks of Cristom's house style. Meticulous biodynamic farming practices, a non-interventionist philosophy that includes gravity flow, and enduring brand stability make this a winery with wines well-positioned to place on the finest wine lists and in the best wine shops.

PINOT NOIR BLENDS

Largely on the sales strength of our Mt Jefferson Cuvée, Cristom Vineyards has been the #1 Oregon Pinot Noir on restaurant wine lists in Wine & Spirits Magazine's Restaurant Poll overall for the last seven years. In the recently released 2018's Restaurant Poll, Cristom was the first Oregon Pinot Noir producer to place amongst the top ten in the "Top 50 Wines," and the Mt. Jefferson Cuvée was once again named the #1 Pinot Noir!

"Cristom's Estate blend is firm and concentrated, laced with whole-cluster spice notes of rye, smoke, olive and caraway. The spice adorns dark fruit that practically bristles with potential energy, as if all the wind that passed over the estate is somehow stored in the bottle. It's lean and savory, umami all the way, with an inky depth that suggests great aging potential." -*Wine & Spirits*, October 2017

ESTATE SINGLE VINEYARD WINES

Named for family matriarchs, our four single-vineyard Pinot Noirs showcase the uniqueness of our estate vineyards in the Eola-Amity Hills AVA. Highly varied and distinctive soils and aspects, tempered by the cool marine influence of the Pacific yet sheltered by eastern exposures, along with high-density plantings shape one of Oregon's elite vineyard estates. Our estate vineyards are certified sustainable by LIVE (Low Input Viticulture and Enology), and they are an authentic expression of the vineyards in any vintage.

"Pale to medium ruby-purple, the 2015 Pinot Noir Eileen gives bold raspberry preserves and red currant jelly notes with suggestions of chargrill meat, truffles, forest floor and cedar. Medium-bodied, the palate delivers a solid backbone of grainy tannins and loads of freshness supporting the generous, muscular fruit, finishing with great persistence." -Robert Parker's *The Wine Advocate*, August 2017
